BEK Communications Cooperative is a private, non-profit cooperative originally founded to provide communication services to South-Central rural North Dakota.

Part of our mission is to enhance the rural lifestyle and encourage our members and customers to continue their education in technology.

To continue this tradition, we are proud to offer to our BEK Cooperative members or BEK Fiber customers nine college scholarships to graduating high school seniors, and substantial technical scholarships to the University of Mary and Valley City State University.

ACADEMIC SCHOLARSHIPS

UNIVERSITY OF MARY

VALLEY CITY STATE UNIVERSITY

BEK Communications awards up to nine \$500 academic scholarships each year to graduating high school seniors for their first semester as a college student.

Students receiving the scholarship must be enrolled in an accredited college or university working towards a bachelor's degree, associate degree, diploma, or program certificate.

To be eligible, the student must be a BEK Cooperative member or BEK Fiber customer, or the student's parents must be BEK Cooperative members or BEK Fiber customers. In the case of a business, the owner is considered the customer. The immediate families of BEK directors and BEK employees are not eligible to participate in this scholarship.

UNIVERSITY *of* MARY

Each academic year, we award two BEK Communications

Technology Scholarships of \$1,250 to University of Mary students who are pursuing degrees in Mass Communications or Computer Information Systems.

Each recipient is chosen by the University of Mary Selection Committee, with the final approval coming from the BEK Communications Cooperative Board of Directors.

To be eligible, the student must be a BEK Cooperative member or BEK Fiber customer, or the student's parents must be BEK Cooperative members or BEK Fiber customers.

VALLEY CITY STATE UNIVERSITY

BEK awards up to \$2,500 in BEK Communications

Technology Scholarships to Valley City State University (VCSU) students who are pursuing a technology-related degree.

The scholarship may be a single \$2,500 award or two \$1,250 awards. Recipients are chosen by the VCSU Financial Aid Office/College Scholarship Selection Committee, with final approval coming from the BEK Communications Cooperative Board of Directors.

To be eligible, the student must be a BEK Cooperative member or BEK Fiber customer, or the student's parents must be BEK Cooperative members or BEK Fiber customers.

Details and applications can be found at bektel.com/about-us/applications

If you know a local cooperative-area student who might qualify for a BEK scholarship, encourage them to apply!
